#### **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary Las Vegas, Nevada

#### **Report on the Audit of the Consolidated Financial Statements**

#### **Opinion**

We have audited the accompanying consolidated financial statements of Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary (both nonprofit organizations), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary as of June 30, 2022, and the changes in their net assets and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management's for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of about Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about about Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 29, 2022 on our consideration of Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary's internal control over financial reporting and compliance.

### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Nature of Activities

Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary (collectively, the Organization) is a not-for-profit organization including Safe Nest: Temporary Assistance for Domestic Crisis, Inc. (Safe Nest) and Safe Nest Foundation, Inc. (Foundation). Safe Nest and the Foundation were incorporated under the laws of the State of Nevada on February 23, 1977 and September 15, 2017, respectively.

Safe Nest's purpose is to address domestic violence issues by providing crisis and counseling services, outreach, and education to victims and abusers in the state of Nevada. Safe Nest receives contributions and grants from private, federal, state, and local sources, as well as programmatic income.

The Foundation's purpose is to support the important work of Safe Nest. The Foundation receives contributions as well as revenues from donated goods sold for cash.

#### Program Descriptions

#### Crisis Services

Safe Nest's crisis services programs (shelter and hotline) provide comprehensive services for domestic violence victims and their children, including emergency 24-hour intake, 24-hour crisis hotline services, 24-hour access to Emergency Temporary Protection Orders (the sole access point in Clark County), case management, employment counseling, housing assistance, support groups, sobriety support, parenting training, child counseling, and life-skills support, in addition to providing for safety and basic needs.

#### Counseling, Advocacy, and Education

Counseling services offered by Safe Nest include individual and group therapy sessions for adult and youth victims conducted in Las Vegas, Boulder City, and Mesquite. Understanding that ending domestic violence means changing how abusive individuals handle their emotions and interact with their partners, Safe Nest also provides state-certified batterer's therapy groups for court-ordered and volunteer participants as well as for teens exhibiting violence in dating and familial relationships.

Safe Nest's advocacy program provides counselors both on-site and in the field to assist survivors who are navigating the legal system in pursuit of safety and justice. Safe Nest Advocates at Family Court, the Temporary Protection Order (TPO) Office, and the District Attorney's Office orient victims to court processes; develop safety plans; assist with obtaining protection orders; provide referrals; accompany victims to court; and partner with attorneys, law enforcement, prosecutors, judges, Child Protective Services, and other entities as needed.

Safe Nest's training and education program provides community engagement to counter harmful social norms that encourage intimate partner violence. These services include ageappropriate dating violence prevention classes in the Clark County School District, conflict resolution training and mentoring programs for teens, information and resources for faith-based communities, culturally-specific outreach to under-served populations, and training for community partners and professionals who identify and refer victims.

#### **Basis of Accounting**

The accompanying consolidated financial statements (financial statements) have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

#### **Basis of Presentation**

The Organization presents its financial statements in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Under the FASB ASC, the Organization is required to report information regarding its financial position and changes in financial position activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

#### Income Tax Status

Safe Nest is a not-for-profit organization and the Foundation is a not-for-profit supporting organization as described in Section 501(c)(3) of the Internal Revenue Code. Both are generally exempt from income taxes on related income pursuant to the appropriate section of the Internal Revenue Code.

#### Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results may differ from those estimates.

#### Cash and Cash Equivalents

The Organization considers all cash and highly-liquid financial instruments with initial maturities of three months or less to be cash and cash equivalents.

#### Investments

The balance of investments consists of shares of an S Corporation donated to the Organization. Distributions earned from these shares are paid to the Organization monthly. This investment is recorded at fair value and is regularly assessed for impairment by the Organization's management.

#### Accounts Receivable

Accounts receivable result from amounts due from the bulk sale of donated goods and for the services of the Organization to clients. It is the Organization's policy to charge off uncollectible receivables when management determines the receivable will not be collected. Management reviews accounts receivable balances to determine if an allowance for doubtful accounts is necessary. At June 30, 2022, no allowance is recorded and all amounts are expected to be received within one year.

#### Government Support Receivable

Government support receivable is due from federal, state, and local governments. Management reviews government support receivable balances to determine if an allowance for doubtful accounts is necessary. At June 30, 2022, no allowance is recorded and all amounts are expected to be received within one year. As of June 30, 2022, approximately 35% of the total receivable balance was due from one government support source.

# Pledges Receivable

Pledges receivable is due from private organizations. Management reviews pledges to determine if an allowance for doubtful accounts is necessary. At June 30, 2022, no allowance is recorded and all amounts are expected to be received within one year.

#### Inventory

Inventory consists of purchased and donated gift cards, as well as in-kind contributions of clothing and supplies to be distributed to individuals utilizing the Organization's crisis services. Purchased inventory is valued using the specific identification method based on the value of gift cards. Donated inventory is recorded when received at the estimated fair value on the date of donation.

### Property and Equipment

The Organization capitalizes all expenditures for property and equipment in excess of \$2,500 and with a useful life of greater than one year. Purchased property and equipment are carried at cost. Donated property and equipment are carried at the approximate fair value at the date of donation. Costs associated with the acquisition, development, and construction of a project are capitalized as construction in progress and are not depreciated until placed in service. Depreciation is computed using the straight-line method over the estimated useful lives of the associated assets. The useful lives are estimated as follows:

- 5 to 10 years for vehicles;
- 5 to 7 years for furniture and equipment;
- 10 to 40 years for buildings and improvements.

# Impairment of Long-Lived Assets

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets.

# Advertising

The Organization expenses all advertising costs as they are incurred.

#### **Revenue Recognition**

Contributions received are recorded as increases in net assets with or without restrictions, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Government support is obtained from various government agencies through cost reimbursement grants. Revenue is recorded in the same period as the costs are incurred. Service contracts are obtained from various public and private agencies throughout the community and are recognized when costs allowed for reimbursement are incurred.

#### **Functional Allocation of Expenses**

The costs of providing various programs and activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The following expenses were allocated on the basis of employee time and effort: salaries and wages, employee benefits, payroll taxes and related, depreciation and amortization, insurance, information technology, occupancy, office equipment, office supplies, postage and shipping, repairs and maintenance, and travel and transportation.

The following expenses were directly allocated by function according to the nature of the expense: accounting fees, advertising, bank fees, direct client assistance, professional fees, program supplies, security, staff development, income taxes, and utilities.

#### Donated Assets and Services

Donated marketable securities and other noncash donations are recorded as contributions at their estimated fair value at the date of donation.

Donated services are recognized as contributions in accordance with FASB ASC, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. For the year ended June 30, 2022, donated services consisted of legal services in the amount of \$2,867 and are reported as management and general expenses in the statement of functional expenses. Additionally, volunteers donate a substantial amount of time to the Organization to further its programs that is not recognized in accordance with the FASB ASC. The Organization estimates the value of such donated services is \$382,392 for the year ended June 30, 2022. In-kind contributions are described in Note 9.

#### **Consolidated Statements**

The consolidated financial statements include the financial information of Safe Nest and the Foundation. Safe Nest controls and has an economic interest in the Foundation. Intercompany transactions have been eliminated in the consolidation.

#### New Accounting Pronouncement

During the year ended June 30, 2022, the organization adopted the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* (Topic 958), which is effective for fiscal years beginning after June 15, 2021 and is intended to improve transparency in the reporting of contributed nonfinancial assets, also known as gifts in-kind, for not-for-profit organizations. The ASU requires a not-for-profit organization to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets, along with expanded disclosure requirements. The adoption of this ASU had no effect on the balance of net assets.

#### Date of Management's Review

Subsequent events have been evaluated through September 29, 2022, which is the date the financial statements were available to be issued.

# NOTE 2. INFORMATION REGARDING LIQUIDITY AND AVAILABILITY

The Organization receives program and contribution revenues, and considers contributions restricted for programs which are ongoing, major, and central to its operations to be available to meet cash needs for general expenditures. The Organization manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

The following table reflects the Organization's financial assets as of June 30, 2022, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date:

Cash and cash equivalents Accounts receivable Pledges receivable	\$	1,840,483 113,225 371,025
Government support receivable		976,589
Total financial assets		3,301,322
Donor-imposed restrictions – capital campaign, held in cash and cash equivalents		(1,075,623)
Financial assets available to meet cash needs for general expenditures within one year	<u>\$</u>	2,225,699

# NOTE 3. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is identified as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and is measured according to a hierarchy that includes: "Level 1" inputs, such as quoted prices in an active market for identical assets or liabilities; "Level 2" inputs, which are observable inputs for similar assets; or "Level 3" inputs, which are unobservable inputs.

The Organization's only assets valued at fair value are its investments, which are based on Level 3 inputs and consist solely of stock representing a 2.78% ownership in a corporation that owns real estate which is leased on a long-term basis. The Organization receives monthly distributions, when available, as a shareholder in this corporation. The estimated fair value at the date of donation was based on the present value of an annuity paid in perpetuity at an estimated incremental borrowing rate of 8%.

Investments measured at fair value on a recurring basis at June 30, 2022 are summarized as follows:

	Level 1	Level 2	Level 3	Total
Privately held stock	<u>\$</u>	<u> </u>	<u>\$ 140,550</u>	<u>\$ 140,550</u>

For the year ended June 30, 2022, there was no reportable investment activity affecting the fair value of this investment.

#### NOTE 4. PROPERTY AND EQUIPMENT

Property and equipment consists of the following at June 30, 2022:

Buildings and improvements Furniture and equipment Leasehold improvements	\$	1,475,780 943,886 162,829
Less: accumulated depreciation		2,582,495 (1,819,187)
Total property and equipment, net	<u>\$</u>	763,308

Depreciation related to these assets is included with depreciation and amortization in the statement of functional expenses and totaled \$153,289 for the year ended June 30, 2022.

# NOTE 5. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are held in the following assets at June 30, 2022:

Cash and cash equivalents Pledges receivable	\$	1,319,774 371,025
Total	<u>\$</u>	1,690,799

# NOTE 5. NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)

Net assets with donor restrictions represent contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that either expire by the passage of time or are fulfilled and removed by actions of the Organization pursuant to those stipulations.

Net assets with donor restrictions are restricted for the following purposes and periods at June 30, 2022:

Capital campaign	\$ 1,075,623
Coaching Boys Into Men	136,592
Shelter programs and facilities	37,299
Court advocacy	36,031
Camp Hope	25,074
Mesquite Awareness Campaign	9,155
Time restricted	 371,025
Total	\$ 1,690,799

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of the passage of time or other events as follows during the year ended June 30, 2022:

\$

67.357

Coaching Boys Into Men

# NOTE 6. CONCENTRATION OF CREDIT RISK

In the ordinary course of business, the Organization maintains cash balances at financial institutions in excess of federally insured limits. The cash held by the banking institutions is insured up to the Federal Deposit Insurance Corporation ("FDIC") limit of \$250,000. Management does not believe the Organization is exposed to a significant credit risk and has not experienced any losses on these accounts.

#### NOTE 7. LEASES

*Capital Leases:* The Organization leased certain office equipment under long term agreements that were classified as capital leases, all of which expired during the year ended June 30, 2022. Amortization related to these leases is included with depreciation and amortization in the statement of functional expenses and totaled \$3,996.

*Operating Leases*: The Organization leases office space, equipment, and vehicles under longterm agreements that are classified as operating leases. The terms of these leases range from 36 to 64 months with monthly payments from \$88 to \$18,950 for the year ended June 30, 2022. The expenses incurred under these leases are recognized on the straight-line basis and total \$409,116 for the year ended June 30, 2022.

# NOTE 7. LEASES (CONTINUED)

Future minimum payments under these operating leases are:

2023	\$ 327	,136
2024	286	,615
2025	249	,404
2026	252	,877
2027	260.	,425
Thereafter	153	,778
	¢ 1.500	225
	<u>\$ 1,530</u>	,235

#### NOTE 8. RETIREMENT PLAN

The Organization offers a voluntary salary reduction plan under Internal Revenue Code Section 403(b) to all employees at hire. After one year of employment, the Organization contributes matching amounts of 25% of employee contributions on a maximum of 4% of the employee's elective salary deferral. During the year ended June 30, 2022, the Organization's contributions to the retirement plan totaled \$4,912.

# NOTE 9. IN-KIND CONTRIBUTIONS

In addition to goods and services donated for use in the Organization's programs, the Organization receives a substantial amount of donated goods that are sold to private organizations at agreed-upon rates. The revenue generated is used to support the Organization's programs and operations. Assets unconditionally donated and retained by the Organization are recorded at fair value on the date of donation.

The Organization's in-kind contributions consisted of the following during the year ended June 30, 2022:

Category	Usage	 Total
Donated goods, retained Donated goods, sold Donated services	Distributed to shelter clients Sold to private organizations Legal services	\$ 64,748 1,362,268 2,867
		\$ 1,429,883

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary Las Vegas, Nevada

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary (both nonprofit organizations) (collectively, the Organization), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated September 29, 2022.

# **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

# **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Houldsworth, Russo & Company, P.C.

Las Vegas, Nevada September 29, 2022 To the Board of Directors Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary Las Vegas, Nevada

# **Report on Compliance for Each Major Federal Program**

### **Opinion on Each Major Federal Program**

We have audited Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary's (collectively the Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2022. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

# Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

# **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contract's or grant agreements applicable to the Organization's federal programs.

# Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

# **Report on Internal Control Over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance with a type of compliance with a type of compliance is a deficiency in *internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance over compliance with a type of compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified. Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

# SAFE NEST: TEMPORARY ASSISTANCE FOR DOMESTIC CRISIS, INC. NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2022

# NOTE 1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes federal award activity of Safe Nest: Temporary Assistance for Domestic Crisis, Inc. and Subsidiary (collectively, the Organization) under programs of the federal government for the year ended June 30, 2021. The information in the schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because this schedule only presents a select portion of the operations of the Organization, it is not intended to and does not present the consolidated financial position, changes in net assets, functional expenses, or cash flows of the Organization.

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the schedule of expenditures of federal awards are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

#### NOTE 3. INDIRECT COST RATES

The Organization has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

# NOTE 4. PASS-THROUGH AWARDS

The Organization received certain federal financial assistance from pass-through awards of the pass-through entities listed on the schedule of expenditures of federal awards.

# SAFE NEST: TEMPORARY ASSISTANCE FOR DOMESTIC CRISIS, INC. SCHEDULE OF FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2022

# SUMMARY OF AUDITOR'S RESULTS

### Financial Statements

- 1. The auditor's report expresses an unmodified opinion on the consolidated financial statements of the Organization.
- 2. No instances of material weaknesses or significant deficiencies related to the audit of the consolidated financial statements required to be reported in accordance with *Government Auditing Standards* were disclosed during the audit.
- 3. No instances of noncompliance material to the consolidated financial statements of the Organization, which would be required to be reported in accordance with *Government Auditing Standards*, were disclosed during the audit.

# Federal Awards

- 4. No material weaknesses or significant deficiencies related to the audit of major federal award programs are reported in the Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance.
- 5. The auditor's report on compliance for the Organization expresses an unmodified opinion.
- 6. There are no audit findings that are required to be reported in accordance with 2 CFR 200.516 (a).
- 7. The programs tested as major programs were the U.S. Department of Justice, Assistance Listing Number 16.575, Crime Victim Assistance Grant.
- 8. The threshold used for distinguishing between Type A and Type B programs was \$750,000.
- 9. The Organization qualifies as a low-risk auditee.
