2024 Hope Heroes

Closing Remarks

Dear Friends of SafeNest,

Welcome to the 2024 Pathways to Hope Luncheon. On behalf of the entire SafeNest team and Board of Directors, we are thrilled to have you join us for this annual event. Your presence today is a powerful testament to your commitment to ending domestic violence and providing critical resources for survivors in our community.

At SafeNest, we believe that together we can create pathways to safety, hope, and healing. In 2023, we provided life-saving services to over 11,150 survivors of domestic violence. This includes 58,471 shelter services provided, 7,723 therapy sessions, and 19,828 calls to our 24/7 crisis hotline. None of this would be possible without you.

Your generosity allows us to continue expanding our services to meet the needs of those in times of crisis. Whether it's through emergency shelter, legal advocacy, or prevention education programs in schools, your contributions are paving the way for a future free from violence.

We know that behind every statistic is a survivor who has taken brave steps toward rebuilding their life. Thanks to your compassion, we offer them the tools and support they need to heal and thrive. You are making a lasting impact, and for that, we are deeply grateful.

As you enjoy today's program, we encourage you to reflect on the change you've helped create. The stories of courage and resilience you'll hear are a direct result of your support. We hope you leave today inspired, knowing that you are an essential part of the SafeNest family and the work we do.

Together, we are building a future of hope and safety for everyone in our community.

With heartfelt appreciation,

Liz Ortenburger
