Zach Conine Launches "Conine in Your Corner" Listening Tour with Domestic Violence Roundtable in Las Vegas

LAS VEGAS, NV – Nevada State Treasurer and Attorney General candidate Zach Conine launched his statewide Conine in Your Corner Listening Tour with a Domestic Violence Roundtable in Las Vegas on Tuesday, October 14.

The roundtable brought together survivors, advocates, and service providers to discuss how the Attorney General's office can strengthen protections for survivors, improve coordination across agencies, and ensure that no Nevadan is left without access to safety or justice.

"Every Nevadan deserves to feel safe in their home and community," **said Zach.** "The Attorney General's office can and should be a partner in preventing abuse, protecting survivors, and holding perpetrators accountable. That starts with listening — to the people on the front lines."

The Conine in Your Corner tour will include roundtables, town halls, and community conversations across the state to hear directly from Nevadans about the challenges they face — from domestic violence to housing, consumer protection, and workers' rights.

"As Attorney General, my focus will be on the issues that actually affect your life — whether you're being scammed, mistreated at work, or struggling to keep a roof over your head," **Zach added.** "This tour is about putting people first."

Additional Conine in Your Corner events will be announced in the coming weeks.
