

Leave Your Legacy

One Safe Place represents a rare opportunity to shape how an entire community responds to domestic violence for generations to come.

This is not simply a capital campaign.
It is the creation of a permanent, coordinated response for survivors across Clark County.

We work personally with each donor to structure contributions that reflect both their philanthropic goals and the lasting impact of this campus.

Your gift becomes a beacon—symbolizing compassion, leadership, and the unwavering belief that everyone deserves a life free from fear. It's more than recognition; it's a generational impact.
